Ecclesia Christo iugata nascitur

Gianmartino Maria Durighello

Mi condusse poi all'ingresso del tempio e vidi che sotto la soglia del tempio usciva acqua verso oriente, poiché la facciata del tempio era verso oriente. Quell'acqua scendeva sotto il lato destro del tempio, dalla parte meridionale dell'altare. [...]]

Lungo il fiume, su una riva e sull'altra, crescerà ogni sorta di alberi da frutto, le cui fronde non appassiranno: i loro frutti non cesseranno e ogni mese matureranno, perché le loro acque sgorgano dal santuario. [Ez 47,1.12]

And he brought me to the entrance of the house; and, behold, water issued from under the porch eastward, for the front of the house looked eastward; and the water came down from the right side, from the south to the altar. [...]

Along the bank of the river, on this side and that, will grow all kinds of trees used for food; their leaves will not wither, and their fruit will not fail. They will bear fruit every month, because their water flows from the sanctuary. [Ez 47,1-12]
